

FINANCIAL HARDSHIP POLICY

Effective date: 20 September 2017

1. PURPOSE

This policy is designed to provide ongoing assistance and support to our customers experiencing difficulty in paying their Queensland Urban Utilities water and sewerage account.

We recognise circumstances affecting your ability to meet your financial commitments may be either temporary or long term and we will assess your request for assistance on a case by case basis.

2. SCOPE

This policy applies to all Queensland Urban Utilities residential and small business customers using less than 100 kilolitres of water per annum, who are willing but unable to pay their water and sewerage accounts due to financial or personal circumstances.

3. RELATED LEGISLATION

- *South-East Queensland Water (Distribution and Retail Restructuring) Act 2009*
- *Water Supply (Safety and Reliability) Act 2008*
- *South East Queensland Customer Water and Wastewater Code 2017*

4. POLICY STATEMENT

This policy meets the requirements as set out in the South East Queensland Customer Water and Wastewater Code 2017.

As the sole provider of water and sewerage services in the Brisbane, Ipswich, Lockyer Valley, Scenic Rim and Somerset council regions, we value our relationships with our customers and are committed to working with you and ensuring you are treated fairly, with respect and are offered realistic payment options. Our ultimate goal is to help you manage your Queensland Urban Utilities water and sewerage account into the future.

4.1 What is financial hardship?

We define financial hardship as you wanting to pay your water and sewerage account but not having the immediate capacity to do so. Whether you require temporary assistance, such as an extension of time to pay or additional assistance over a longer period of time, we can assist you.

4.2 Identifying customers in financial hardship

If you are experiencing financial difficulty, we encourage you to contact us as soon as possible to discuss your situation. However, we understand you may be referred by a financial counsellor, advisor, community agency or the Energy and Water Ombudsman Queensland (EWOQ).

We are always listening to our customers and their needs, so that we can respond to early indicators of financial difficulty and proactively work with you to manage your account under this policy.

4.3 Payment options and arrangements

We can discuss payment options that are flexible, realistic and affordable. Once we have agreed to a suitable arrangement we will provide you with written confirmation.

Provided that you make these payments, your account will be excluded from further recovery action, such as legal action and interest on any overdue amount. For exceptional circumstances, on a case-by-case basis, we may consider reducing the amount you owe.

If you are currently receiving any Centrelink benefits or allowances you may be eligible to use Centrepay from October 2017. Centrepay is a free voluntary bill paying service where you can nominate an amount (\$10 or more) to be deducted from your fortnightly benefits. This amount will be paid directly to us on your behalf. You will have full control over changing or cancelling deductions, to suit your own personal circumstances. If you would like further information on Centrepay, please contact Centrelink on 13 23 00 or visit: <https://www.humanservices.gov.au/customer/services/centrelink/centrepay>.

4.3.1 Monitoring and reviewing payment arrangements

We may review your payment arrangement at any time. However, you do not need to wait for a review to tell us if there has been a change in your circumstances. We ask that you make us aware of any changes when they occur. We may also contact you with each new bill to ensure your payment arrangement is still manageable.

4.3.2 Non-payment of your payment arrangement

If you are unable to meet the payment terms, such as missing a payment instalment, or anticipate you may miss a future instalment, please contact us and we will be happy to talk it through with you. If the terms of our arrangement are not maintained, your account will be handled in accordance with our Customer Charter. This may include charging interest and legal costs.
