

**This form is used to provide the property owner/s consent for Urban Utilities to access their property for works associated with the Water Approval application, or for a third party to act on their behalf. Before submitting this form the following requirements must be completed: Property details, Section A and either Section B or C or D or E.**

This form is not required if the property owner (applicant) is lodging the Water Approval application. However, if the person submitting this form is not the property owner (e.g. an authorised agent acting on behalf of the applicant, such as a consultant or other third party), then the following applies:

- Owner/s consent to the making of a Water Approval application is in accordance with section 99BRA of the *South East Queensland Water (Distribution & Retail Restructuring) Act 2009*.
- This form is a requirement of a 'properly made' Water Approval application. Failure to submit will prevent the application from progressing to assessment.
