

Construction Update: Beaudesert Reservoir Upgrade – Birnam Range Road, Beaudesert

The Beaudesert Reservoir upgrade that was planned in your area has recently been delayed due to site conditions. This work has now been rescheduled. Construction will now commence from **Monday 28 June 2021** and progress over four months (weather and site conditions permitting).

Work hours: Construction will take place during the day, between **6:00am and 6:00pm**, Monday to Saturday.

What to expect:

- **Crews, trucks and equipment** within the reservoir site and access road. Safety barriers will be in place to keep everyone safe.
- **Noise and dust** from construction vehicles and machinery. We'll minimise this where we can.
- **Restoration activities** - we will restore all work areas as close to the original condition as possible, once the work is complete.

For more information, please call **Downer WSP** on **0437 841 193**.

Thank you for your patience while these important works are underway.
