

A meter is considered to have registered incorrectly only if it registers outside the prescribed margin of the correct amount of water supplied, whether greater or less. The prescribed margin is 5%.

For water meter test enquiries, current costs and payment methods, chat with us online from 7am-7pm weekdays or call 13 26 57 (8am-5pm weekdays).

**1 Applicant's details** *If the property is part of a Community Title Scheme, the applicant must be the owner or authorised Body Corporate representative and the test automatically becomes a laboratory meter test.*

**Privacy and why we collect your information:** Your privacy is important to us. Urban Utilities is collecting your personal information as a distributor-retailer under the South-East Queensland Water (Distribution and Retail Restructuring) Act 2009 (Qld) for the purpose of processing your water meter test request and updating our customer and billing records. The personal information we collect may also be used to manage and make contact with you about accounts and to verify your identity in future; to contact you about network faults and emergencies and manage the water and sewerage services we provide; and to conduct customer research. Urban Utilities may use and/or disclose your personal information to its employees, agents or contractors for these purposes and other third parties as otherwise required or authorised by law. For more on how we protect the personal information we collect, and to find out how to make a privacy complaint, access our Privacy Policy at [www.urbanutilities.com.au/privacy](http://www.urbanutilities.com.au/privacy)
