Terms and conditions

- (Consent) The issue of a smartcard constitutes Queensland Urban Utilities' consent to the applicant's taking of water from Queensland Urban Utilities' tanker filling stations ("Consent"). Queensland Urban Utilities may, without liability to the applicant, suspend or terminate the Consent (together with any smartcards issued to the applicant), at any time and for any reason.
- (Excluded Activity) The Consent does not permit the taking of water from Queensland Urban Utilities' infrastructure via hydrant standpipes. A separate consent is required from Queensland Urban Utilities' to allow such taking of water.
- (Technical Requirements) Smartcard filling station outlets are fitted with a 75mm male Camlock fitting. Tankers/vessels filled from a 75mm outlet must be fixed at both ends during filling.
- (Insurance) The applicant must effect and maintain public liability insurance of at least \$10 million per occurrence at all times while the Consent is operative. If requested by Queensland Urban Utilities, the applicant must promptly provide evidence of its insurances acceptable to Queensland Urban Utilities.
- (Risk) All risk and title in water taken from a tanker filling station transfers to the applicant at the time water is taken from the filling station outlet. The applicant is solely responsible for ensuring water is taken and used in accordance with all applicable laws.
- (Indemnity) The applicant is liable for, and must indemnify Queensland Urban Utilities against, any loss or damage caused to Queensland Urban Utilities' infrastructure and any third party claims arising from or in connection with the taking and use of water from a tanker filling station.
- (Charges) The applicant is liable for, and must pay, all charges applicable to taking water pursuant to the Consent.
- (Audit) Queensland Urban Utilities may audit the applicant's compliance with the Consent and these terms at any time. The applicant agrees to promptly provide all information requested by Queensland Urban Utilities from time to time.

Declaration

I have received, read and understood the terms and conditions for drawing water from a Queensland Urban Utilities' potable water tanker filling station and agree to abide by those terms and conditions. I understand that failure to comply with the terms and conditions may result in the withdrawal of my approval to draw water from potable water tanker filling stations. All information provided by me in relation to this application is true and correct.
